

Atlantic Lift Systems is seeking an experienced Lift Truck/Aerial Equipment technician. Technicians are responsible for diagnosing and repairing lifts and industrial trucks at customer facility and/or in house.

Preferred skills include experience with:

- LP, gasoline and diesel fuel systems
- Electronic control systems
- Hydraulic systems and implements
- DC power circuits, SCR, SepX/Transistor controls

Requirements:

- Have a valid Virginia Driver's License and provide DMV printout
- Be able to lift, push and pull at least 50lbs.
- Have a minimum of 5 years of experience in industrial truck repair
- Must have your own tools
- Must have field service experience

We will provide certified, factory training and certifications as well as a competitive salary, health benefits, vacation and 401(k).

Benefits Package consists of:

- Health Insurance
- Vision Care
- Dental Coverage
- Life and ADD Insurance
- AFLAC Insurance
- Profit Sharing
- Uniforms
- Shoe Allowance
- Training Pay Incentives
- Cell Phone
- Paid Holidays
- Vacation
- Sick Days
- Long Term Disability
- Other Incentive Programs
- 401(K)

If you are interested and have the skills and requirements listed above, please contact Megan Haynsworth at megan@atlanticliftsystems.com or 757-466-9280. If you would like more information on Atlantic Lift Systems and the products and services we offer, please visit www.atlanticliftsystems.com.
